# Wind turbine

+ - 25000 euro/m height

# Blue Tower

# solar panels

+ - 100 euro/m<sup>2</sup>

# Blue Tower

1 **BLUE TOWER** can deliver almost the same energy as 1 wind turbine or 3 football fields with solar panels\*

\*based on data wind energy, 2 MW/turbine x 2000 hours full charge

\*based on solar panels 250 W PEAK/m<sup>2</sup>, 800 kWh/kW PEAK/year, 6000 m<sup>2</sup>/football field
